## President's Message

It's hard to believe that we are turning the calendar over to the month of July and half of 2021 is behind us.

In addition to being July, we are already starting to see each day have fewer minutes of daylight and days are already starting to get shorter. I feel a real urgency to get out and do as much as possible.

Hopefully, you will be able to celebrate Independence Day this year with all of the traditional outdoor activities of picnics, family gatherings and watching fireworks. Enjoy the holiday!

**Be Safe!**  
**Ruth Van Tol**

## Birthdays - July:

**Diane Reinertson** (2nd), **Nancy Thorkildson** (15th), **Ann DeLaney** (16<sup>th</sup>), **Mike Buckman** (18th), **Marty Stimson** (28th), **Diane Anderson** (29th).

## FUTURE EVENTS

### Nothing Nights is Back!! - Wednesdays

We have Bo Mac's reserved for Wednesdays at 6:00pm for the immediate future. There is talk of going back to CJ's or maybe moving around to different locations so let us know what you would like. Check the Events Calendar on the website in case we move. You don't have to log in to see the calendar at [eastiwaskiclub.com](http://eastiwaskiclub.com).

Bo Mac's is just east of the 16th Ave bridge.  
219 16th Ave. SE, Cedar Rapids

They have a nice large outdoor seating area but there's room for us inside, if that's what we prefer. If you are there before 6:00 you can get 2 drinks for the price of one plus \$1.

## Maquoketa River Float - July 31

On July 31, we will float the Maquoketa River. The float will start at Monticello Canoe Rental's office, just below the Mon-Maq Dam in Monticello, and will end at Pictured Rocks Park. It will be about a 3-5-hour float, depending on water levels. MCR's 10 ft. kayak rental is \$25. You can also use your own kayak. Go to their website for full details on what you need to do: <https://monticellocanoerental.com>, or call 319-465-3697.

If you rent, you can cancel 48 hours before our scheduled float (July 31) for a full refund. After this, no refunds. Once you reserve your kayak, email me (Cathy) at [dickster41@gmail.com](mailto:dickster41@gmail.com) and let me know you are going so I know who to wait for at the shuttle lot. If you are using your own kayak, ALSO let me know you're going so we know who to wait for at the start. We can meet at the Marion Walmart near the gas stations at 9 AM, then head to and arrive at their rural shuttle lot first, at 12521 – 190th St., Monticello, IA 52310 (out a bit past Camp Courageous) by 10 am.

If you are using your own kayak, you need to be at their office by 9:30 AM. I have done this float several times over the years, and I like to bring a small cooler with drinks and a sandwich, and I also bring a dry bag to put snacks, cell phone, car keys, etc. in. There are

no food/beverage places along the river. Most of the sit-on-top kayaks have at least one bungee cord to put a very small cooler under, or a dry bag, or whatever. Trip chair: **Cathy Dick** dickster41@gmail.com, 319-538-6896.

## Quad Cities Road Trip - Sunday, Aug 8th

We plan our first area road trip for Sunday, August 8 to the Quad Cities. If you want to car pool with others, plan to meet at 10:30 AM at the SW corner of Target on Edgewood Road.

Our first stop will be at the Putnam Museum at 1717 W 12<sup>th</sup> ST in Davenport. The August schedule of their featured movies isn't posted yet but they currently have 5 different National Geographic movies that they are showing. The movies are: Into America's Wild, Back From the Brink, Oceans: Our Blue Planet, Superpower Dogs, and Wild Africa. The massive movie screen is 5 stories high and all the films are in 3D. Admission to just a movie is \$9 for adults and \$8 for 60+. A general admission ticket is \$9 for adults and \$8 for 60+ and that will get you in to see the other exhibits at the museum, the movie ticket is \$5. You can check out what other exhibits are currently showing and more details of the movies by going to [www.putnam.org](http://www.putnam.org).

After spending a couple of hours at the Putnam, individuals can decide what they would like to do next. There are a couple of low-cost or no-cost options of going to Vander Veer Park and Botanical Garden, Davenport Sky Bridge, or the Bucktown Center for the Arts. Other locations of interest (but have a fee) might be the Figge Art Center, the German American Heritage Center, or the Quad Cities Botanical Garden.

For a late lunch/early supper, the Front Street Brewery at 421 W River Dr, Davenport, has a nice view of the Mississippi, good food and brews.

The Backwater Gamblers Water Ski Show is at 6:30 PM at 5099 44<sup>th</sup> St, Rock Island, IL. The group boasts 150 members from ages 3 to 60. They consistently rank in the top 5 water ski clubs nationally. The show generally lasts an hour with an intermission where they accept donations. I haven't seen them perform in several years but in the past they put on an impressive show that was an enjoyable way to spend the evening and will be a good way to wrap up this road trip.

## "Sailing Maine on the Angelique" - Aug 29-Sep 5, 2021

We are just two months from sailing around the islands off the shores of Maine on the tall ship '**Angelique**'. Pirates...we will be sailing in the tall ship regatta of the **Camden Windjammer Festival** and enjoying the festival. The trip will be Sunday, August 29 through Sunday, September 5, 2021. Unfortunately for those wanting to go on the trip, it is full with three people on the waiting list.

The vacation begins with a night dockside in picturesque Camden Harbor staying at a hotel on the harbor. The next morning, a hearty breakfast is served on board and Angelique leaves her berth in Camden's inner harbor with the first tide. We will be sailing for 5 nights/days on the Windjammer.

Check out the ship on their website at <https://www.sailangelique.com/welcome-aboard/> . Here is an interesting web site on why you need to sail: <https://nothingbutnewengland.com/windjammer-sailing-why-you-need-to-sail-different/>

Cancellation date: [Oct 29](#), 2021

Flight schedule (for now):

Round trip CID-PHX-SLC (will update times closer to departure)

Trip Leaders: **Diane and Chip Scholl**

The early sales success for the second major EISC West trip was evidenced by those attending the June Spring Picnic. This is no doubt a reflection of the fine effort by our own noble literary laureate, **Steve Cummings**, plus an early “advertasing” blitz.

To date, the trip roster holds 22 Adventure-Nauts, we have room for 6 more members.

Located in Heber Valley, in the heart of the Wasatch Mountains, you will find the Zermatt Resort and Spa. This is a specially designed European styled vacation, featuring lodging in a Swiss inspired village which offers many great amenities. The property is a luxury 4 star, 4 diamond, full-service resort. You will enjoy the on-property indoor/outdoor swimming pools and hot-tubs, wellness center, full-service day spa, pub, two distinct restaurants, a Swiss bakery and complimentary shuttle service to Deer Valley, Park City, Midway and Heber Valley. There will be complimentary shuttle to Sundance Resort for groups. Our accommodations will feature 2 bedroom/ 2 bath, 1200 sq. ft. villas, including full-kitchens, fireplaces, decks/patios and Alpenhorns.

Zermatt Resort and Spa is the perfect accommodation hub for all the adventure and recreation we can pack into a week. Our knowledgeable on-site host is Maxine Jensen. She has a wealth of talent and promises to provide our group with plenty of skiing and non-skiing activities, plus she will actively participate in a few of the special opportunities. Those alpine skiing/riding will be drawn to the variety afforded by Park City Mountain Resort, Deer Valley(ski only) and Sundance Resort, all within a 15-30 minute shuttle ride, plus the possibility of day trips to experience other unique alpine skiing endeavors. Lift tickets are not included and the best approach to handle what will work for your situation can be explored in Steve’s most current Ski Pass Skidoo article. Those members that have come to their senses can enjoy the “sky is your limit” alternatives to alpine skiing/riding. Nordic skiing and snow-shoeing, plus gear rental, is available at Soldier Hollow Nordic Center (prime 2002 Olympic venue), Wasatch State Park and Sundance Resort Nordic Center. Snow tubing, snowmobiling, sleigh rides, ice-skating, fishing and hiking are a few other outdoor activities that can be experienced close at hand. Something everyone in our group should consider is a “dip your toes” experience at “The Crater”, a geothermal, crystal-blue, spring hidden within a 55 foot, beehive-shaped limestone rock located at the Homestead Resort in Midway.

Another highly recommended, whole group experience, is a day trip to the Sundance Resort. There are live participation activities, such as, silver-smithing, making cheese and

Park City / Deer Valley trip in 2016

candles and having a refreshment out of sight of Joe Le Fors and The Pinkertons at the Owl Bar where scenes from Redford and Newman's portrayal of Sundance and Butch were filmed. Plus, you can experience Alpine, Nordic and snow-shoeing activities. As former Founder and Owner, Robert Redford said, "Sundance is an arts community, a recreational community, a community of people who appreciate the beauty of nature and feel the responsibility to preserve it." We should fit in pretty well!

Also, exploring the historic village of Midway and quaint offerings of Heber City, one will find great eats, shopping, cool history and cultural influences without the escalated cost of admission compared to Park City.

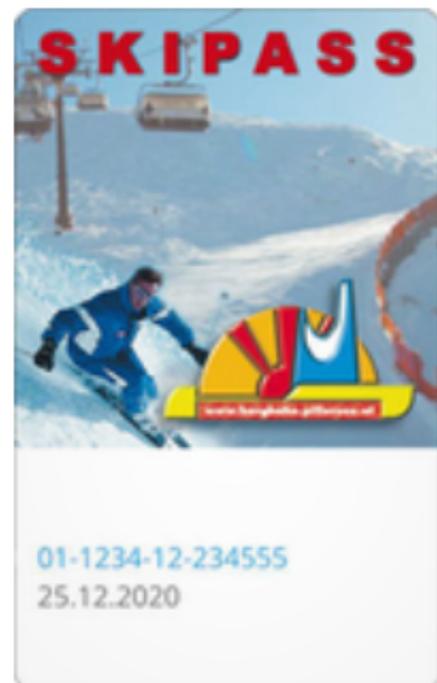

As many of our members are experienced in travel, they are increasingly aware of the importance in protection of their travel investment with trip insurance. It is highly recommended that you consider adding trip insurance as soon as possible. If you would like to know more about this option, please contact Diane to sign up for coverage and answer any questions. Her contact information is: (319) 270-3765.

To all of you that have put your names on the line, Diane and I welcome the opportunity to be your trip leaders in this Euro-Plan themed experience. For those of you that find riding the fence comfortable, the Surgeon General has just released health recommendations that might persuade you to consider the overall value of this trip.

## May SKI.com Epic and Ikon pass deals

By now everyone should know SKI.com is offering deals on Epic and Ikon passes. EISC members planning to go on the Breckenridge EISC ski trip will want to buy some form of the Epic pass. The 2 West trips for 2022 both can use the pass, but especially for the **Breckenridge** trip. The Epic Local, Epic Summit or Epic Day passes will work at Breckenridge at a much lower cost than lift tickets. The Mar 5-12 trip is to Zermatt, Utah – a Swiss village in the Heber Valley. There are free daily shuttles to Deer Valley, Sundance and **Park City**. The Epic Local or Epic Day passes will work at Park City. If you are going on both club trips or one club trip and another trip to an Epic resort, the Epic Local Pass or Epic Day passes are a good decision. If you are only going on one club trip, you may want to consider Epic Day passes for the days you want to ski. All Epic passes are on sale 20% lower than last season. If the Epic Local or Base passes are purchased using the SKI.com link below and used on an EISC trip, there will be an additional \$30 credit from SKI.com. The link is: <https://epicikon.events.ski.com/>

The cost of the **EPIC Local Pass is \$583**. It is unlimited skiing at 26 destinations including **Breckenridge**, Keystone & Crested Butte / Holiday blackout day skiing at **Park City**, (not during the EISC trip), Heavenly, Northstar, Kirkwood / 10 days with holiday blackout date skiing at Vail, Beaver Creek, Whistler Blackcomb, among others.

The cost of the **Summit Value pass is \$471**. It is unlimited skiing at Keystone and holiday blackout date skiing at **Breckenridge** only. The Epic Day passes offers restricted and unrestricted access to most Epic resorts – the restricted access would not affect the EISC trips. The cost of the restricted Epic Day pass is Epic 1-Day Restricted Pass **Adult: \$87** / Epic 2-Day Restricted Pass **Adult: \$171** / Epic 3-Day Restricted Pass **Adult: \$249** / Epic 4-Day Restricted Pass **Adult: \$323** / Epic 5-Day Restricted Pass **Adult: \$392**.

Please read the pass details and all restrictions carefully before purchasing any type of pass.

The SKI.com link makes it fairly easy to buy any of the Epic passes, however it is new to many of us so don't get discouraged. It is a much lower cost than daily lift tickets and a better deal for our members for this year. It is best to use a computer with a high speed connection rather than a smart phone to buy your pass. Please see your trip leaders if you need any assistance with the Epic Pass process. The path is:

## **June Forum Bike Rides Recap & Pictures**

Two rides were scheduled in June on the EISC website Forum for Bicycling. On June 2, we had 7 riders and 1 guest. On June 22 we had just 5 riders. Both trips started at Tait Cummins Memorial Park. A stop was made in Ely at My Mom's Bakery for a morning treat. The crews then headed to Solon. Both times the decision was that it was too early for lunch in Solon so we headed back. On June 2 the group had lunch on the new back patio of Odie's. On the 22<sup>nd</sup> the group headed to Jersey's and had lunch on their patio. We noted that both places seemed to have a shortage of help and lunch was a long relaxing break. On both occasions riders wondered where all of the others were that like to ride. We had nearly picture perfect weather on both dates including the all-important tail wind heading home.

This is a reminder again that ANYONE can schedule a ride if you are a club member. Just go to the website. Sign in. Click on Forums. Choose bicycling. Type your message and post! Easy peasy!

## Bike the Raccoon River Valley Trail - Recap & Pictures

The weekend of June 11<sup>th</sup> thru 13<sup>th</sup> the EISC was busy riding bicycles on the Raccoon River Valley Trail, High Trestle Bridge Trail, camping at Saylorville Lake, as well as exploring the Hotel Pattee and the town of Perry. This fun activity/event turned out to be much more popular than anticipated. Approximately 18 members were camping; 14 members stayed at the Hotel Pattee and 3 more stayed at another hotel. Thanks to Wendall and Jane Sents for leading the camping side of the trip. This was an intentionally, loosely planned bicycle trip, so everyone could make their own route & go at their own pace.

Many thanks to camper trip leaders **Wendall and Jane Sents**. Everyone enjoyed the large campsite circle near the Saylorville reservoir and had a lot of fun camping. No one seemed to mind making the short drives over to the trailheads for the rides. The folks that stayed in the Hotel Pattee were able to enjoy the luxury accommodations of days gone by & only had to cross the street to the trailhead. The themed rooms were a lot of fun and the food in the dining room was great. It was like staying in a museum from the early days of the railroad in Iowa. Some members took this opportunity to ride the Boone dinner train and enjoy views above the Des Moines River Valley.

Many members rode the High Trestle Bridge trail on Friday afternoon, later than planned because of a rainstorm. The bridge really is fantastic, functional art. We are very

fortunate to have such a great architectural attraction so close. It is an out and back route from the Woodward Trailhead. Because of our late start we only made it to the Flat Tire Bar and Grill in Madrid.

The Raccoon River Valley trail was more fun when the wind wasn't in our face. Folks rode their own routes and used their own start time – one early rider reported seeing a fox and her kits crossing the trail in front of her. There was a large group who started out on the recommended ride from Perry to Waukee and back. We heard one member made the entire loop, which would have been a challenge. Many were concerned with the headwind on the ride back to Perry & turned around at the small towns on the trail, however we had approximately 16 riders complete the ride to Waukee and back. Several members wondered why Wendall had us riding into the wind on the ride back, but others have come to appreciate challenges.

Thanks to all of the members who were able to join the EISC and enjoy riding the trails in this part of the state. Many plan to return and hit these trails again in the future. Hope to see you out on the trails this summer.
